**First message, an Invitation and Call for Papers to the Conference**

It is our great pleasure to invite you to the Conference „The time of René André (1867–1942). The field of creativity of landscape architects – from greenery to town planning“, which will take place in Vilnius, Lithuania at the end of September 2017. The Conference will be held at Traku Voke Manor. The Conference is hosted by the Lithuanian Club of Friends of Edouard François André, Lithuanian Association of Landscape Architects (LALA), Vilnius Gediminas Technical University and Klaipėda University, and will be supported by the other organisms and entities.

*The Conference is organized to commemorate in 2017 the 150<sup>th</sup> anniversary of the birth and the 75<sup>th</sup> anniversary of the death of René André, French landscape architect and urbanist, who worked with his father in Lithuania at the end of the nineteenth century, also to commemorate (in 2018) the Lithuanian Independence hundred-year anniversary.*

René André represents the professionals of landscape architecture and urban design of first half of twentieth century, those who shaped the landscape of cities and other settlements in the countryside. Their practical, academic and social activities have been linked to urban tradition break-through in France and Europe.

The interdisciplinary discourse of the specialists and academics of landscape architecture, spatial planning, urban design, art history, geography is expected during the conference. The official conference and its proceedings languages are Lithuanian, English, and French.

**Topics of Conference:**

- Interaction between landscape architecture and urban planning;
- Public Park functions and its changing;
- Green spaces meaning and its place in urban planning and design;
- Historical Parks revival - good practice;
- Landscape urbanism – as new paradigm of city planning and design;
- Creative heritage of Edouard and René André in Lithuania and in the World;
- Landscape architecture and urban design solutions at the first half of twentieth century
- Educational programmes and projects of Landscape architecture
